Council Proceedings.

COUNCIL CHAMBER,) TOPEKA, MAS. Septemer 19, 1895.

Council met pursuant to call of the mayor. Present-Councilmen Bradford, Drew, Elliott, Pattison, Rountree, Steveus, Stephenson and Skinner-8. sent-Councilmen Burgess and Fulton -2 Quorum present Mayor C. A.

Fellows, presiding.
The following call was read: SEPTEMBER 18, 1895.

To the members of the Council, City of Topeka, GENTLEMEN In consideration of the death of Hon. Joseph C. Wilson in New York, at 11:30 a.m. today, I hereby call a meeting of the city council for Thurs-day evening, September 19, 1895, for 8 o'clock, to take such action as may be deemed proper in acknowledgement of the service of a man who, as mayor, citizen and neighbor, has been for years in timately associated with the history of Topeka. A full attendance of the council is especially desired.

Attest: S. S. McFadden, City Clerk. [SEAL] The mayor delivered the following ad-

Gentlemen of the Council: We are called together to do what little we can as the representative body of the city to show our appreciation of the life work of Ex-Mayor Joseph C. Wilson. Each one present here tonight knew him personally and understands

the loss Topeka has suffered. To the widow and orphans we should extend our sincerest sympathy. I would suggest, if it should meet the approval of the council, that a committee be chosen to draft appropriate resolutions, and that this committee also confer with the family and friends as to what part we shall take as a council in paying the last tribute to one who in the past so ably presided over this body.

C. A. FELLOWS, Mayor, Respectfully submitted, Mr. Bradford moved that a committee of five (5) be appointed on resolutions, which motion prevailed. The mayor appointed Messrs, Bradford, Drew, Stephenson, Pattison and Roundtree as such committee. The committee made the following re-

Be it resolved by the mayor and councilmen of the city of Topeka:
Joseph C. Wilson, for many years a
distinguished citizen of the city of Topeka, twice honored with the chief office in the gift of her electors, the recipient of frequent legislative distinction, the incumbent of other important public stations, and occupying, but yesterday, a high and responsible post in the greatest of all Kansas enterprises, without warning, died suddenly in a distant city, and his body is now being borne to the sorrowing and distressed wife and children and back to his old home, the city of Topeka; and while this the Pacific Coast. city has honored him much in the past, it will but add official grace and neighborly affection to public duty, in according him a yet larger tribute at the abrupt and sad close of an extended ca-

reer of faithfulness, ability and honor. In every relation of life by which a man may be measured or known, as a friend, neighbor or companion, he held the confidence, respect and esteem of the entire community, and he deserved nor had an enemy; as a public servant he was capable and faithful; as one who held great trusts he ably fulfilled his duty; eminent and distinguished as a citzen, as knew him as a man, through all the years during which he has lived among us, we give to him and his, the honor that should not be withheld, or

charily bestowed, on a good name, In common with the people of the city, and authoritatively giving voice to he numurous expression, if it could be heard, we desire that there shall be expressed to his bereaved family, tenderly and affectionately, the esteem in which the people held him, and how profound their impotent and unavailing sympathy, in this sudden and over-

whelming affliction. Subject to the wishes of the family, and an order may be hereafter taken for the funeral ceremonies, this body and all the officers and employes of the city, not necessarily prevented by duty, will attend, under such direction as the mayor may give upon hereafter becoming advised of the time, place and character of

It is also directed that a duly certified copy of these proceedings be sent to the family by the clerk,
S. B. Brandford, Third Ward,
On motion the report of the committee
was adopted. Mr. Bradford moved that he resolutions be adopted as reported by he committee, which motion prevailed.

the services,

Mr. Stevens moved that the mayor issue a, call for a citizens meeting to be held here tomorrow evening at 8 o'clock. After some discussion Mr. Bradford moved as an amendment that the mayor he instructed to take such action as his indement should dictate, which amendment was adopted. Mr. Bradford moved that the city clerk be instructed to furnish a copy of the resolutions to each of the daily newspapers and request them to publish the same, which motion
